Additional Instructions (ex. if ordering custom depth, custom color, multiple colors, custom border, different texture, custom thickness, etc.)

Please supply text, any line art, and any photograph for a bas relief. Depending on your selections, we may need to contact you for additional information. Once we have enough information, we will email you a firm quote.

To order, please confirm the specification and supply a 50% deposit. You will then receive a PDF proof for approval. Note that bas relief models take about a week. Production time is typically 4-5 weeks from artwork approval. The balance is due upon completion.
